

The Peri-ometer suggests the difficulty or challenge the homework may offer. Try at **least one 'EXTRA HOT'** task! You must complete four tasks this half term, one from each subject.

Key Stage 3
Choose your homework
from the menu below

Performing Arts	PE	Art	Cooking
Make an Easter/ spring Hat	Describe how sport helps you physically, intellectually, socially and emotional	Draw 5 squares. Now fill in each square with a different type of line (zig-zags, curves etc)! The first one has been done for you as an example.. 	Make a meringue
Design an Easter/ spring Hat	Produce a poster of a club you attend to present in tutor or assembly.	Gather fruit and/or food packaging, group and arrange them together. Make a careful drawing of it using different types of lines! 	Use an egg to make a cake
List shows that have Good costumes	Make a change - make a difference... Set yourself a daily or weekly challenge to improve your wellbeing. Tell us what it is and how you got on.	Create your own super-healthy cartoon food and drink characters! Use line and colours and be as wacky as you want! 	Make scrambled egg
Think about Why we wear costume	Find a new skill from a sport and practice it.	Find an item of one of your favourite foods or drink. Make a careful line drawing of it, adding different types of lines to create shadows, tone and textures to create a 3D effect! 	Boil an egg
Have a dress up hour. How do you feel?	Try tying your shoe laces, doing up your buttons or putting your pe kit out the night before.	Create your own super-towered burger! Make a careful line drawing of it, adding different types of lines and colour to create shadows, tone and textures for 3D effect! 	Fry an egg
