

Friends of Southall School PTA

Chairman's Report

April 2018 - 2019

Friends of Southall School has been formed this last year as has grown from strength to strength. I am very proud to say I was part of this process and you should all be to! The fact we have managed to put this all together with no previous experience is a real achievement and something I have thoroughly enjoyed, I hope you all have to.

We have managed to plan and run successful events and other money-making schemes which has resulted in a considerable amount of money being raised.

We now find ourselves in a position to be able to spend money on the students which will have a positive impact on their school life through education and play. Our first large purchase being the new games for each class. I'm very excited to see what other purchases we support in the coming year.

I need to say a sincere thank you for your support throughout this year with seeing this venture come to life. At times we've found ourselves unsure on what to do in certain situations, but we've managed to find a solution and carry on striving forward. Looking to the year ahead I hope we continue building on the great work the PTA has already done.

Rebecca Winton

Chairman – Friends of Southall School
