24<sup>th</sup> March 2020

To the wonderful pupils of Southall School.

Firstly, I want to say how very proud I am of you all.

This has been such a tricky time for everyone, and you continue to show all the adults in your life just how amazing you are.

For you, some of you maybe confused, scared, worried or just fine – all of these feelings are ok. The adults in your life feel like that too.

At the moment, adults are being told what to do by the government because of the Coronavirus. This is to keep you and your family safe. Please listen to your mum, dad and carers.

Many of you are at home and work is being set for you. If you can, try and do your work, and I know that you will all do your very best. However, it is also important to spend a lovely time with your family – play in your garden, feel the sun on your face, laugh and play games ..... and for those that like to be online or texting, please stay safe and try to come out your bedroom every so often!!!

This is also a direct message to our year 11's. We are not sure when we will be back in school .... but hold onto those prom dresses and suits, because I promise you this, when we can be back together again, we will hold the BEST PROM EVER.

For now, please stay safe until we see one another again.

Best wishes

Mrs Martin and all the staff from Southall School
