Head teacher: Mrs Abi Martin

3rd April 2020

To the pupils of Southall School,

So today is the last day of term and if we were at school, we would all be full of excitement for the Easter holidays. At 2.15pm we would be in the hall, celebrating hard work, praising the Easter hats made and eagerly waiting to see who has won the very large chocolate egg.

Just because we cannot be at school together, does not mean we cannot still celebrate the hard work for this term. There is so much to celebrate!!!

-To all our year 11's, wow, what an amazing work experience week you had. You were role models whether you were in school or out of school. As a school we are so very proud of you.

-To our sporting young men and women. You have shown yourself to be true sporting heroes, you are kind to one another, always cheering and encouraging one another, whether we win or lose.

-To our performing arts students who have visited a number of schools. You have not only shared your love of drama and dance but also taught others – that is a true gift.

-To our volunteer groups, who have given up their time to help not only the school but also the local community. The gift of giving is the best gift of all.

-To all of you, over the last few weeks you have shown yourselves to be hard working and brave. I know how well you have been doing in your studies, whether it is online or on paper. I also know how kind you have been to the adults you live with.

And for the person who will win the giant Easter egg, I promise it is still intact and will be saved for when we are back together again.

So tomorrow will be the start of the Easter holidays. We have set homework if you choose to do it. However, the most important thing is to spend time with your families. Enjoy the fresh air, it's going to be lovely outside, help the adults who you live with – you may learn something new even if it seems boring. And to our gamers / onliners – LEAVE YOUR BEDROOM!!

Finally, the last thing I want you to do, is to say thank you to your mums, dads and carers. They have helped you so much in your learning and it is sometimes a tricky thing for them to do.

Stay safe, look after one another and we will see one another soon.

Mrs Martin and all at Southall School
