

Arriving

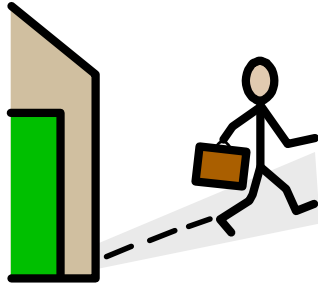

at

Southall

+

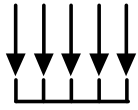

and

leaving

Southall

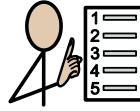

All

schools

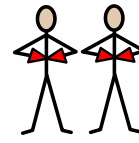

have

rules

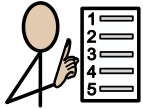

.

We

have

rules

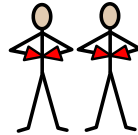

to

make

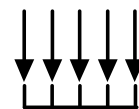

sure

we

are

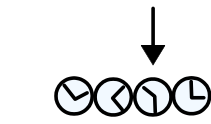

all

safe

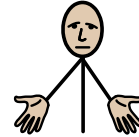

.

Sometimes

rules

need

to

change

.

When

rules

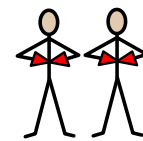

change

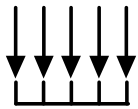

it is to

keep

us

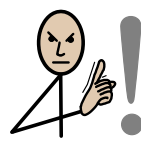

all

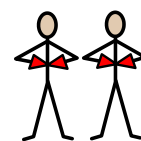

safe

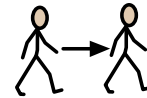

it is

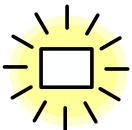

important

we

follow

new

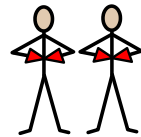

rules

to

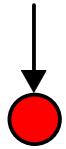

keep

us

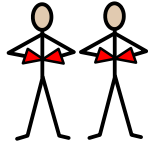

safe.

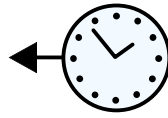

At

Southall

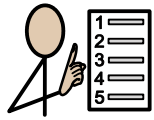

we

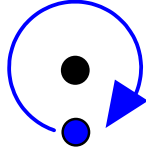

have

changed the

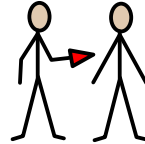

rules

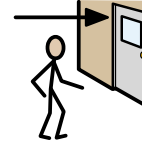

about

how

you

arrive

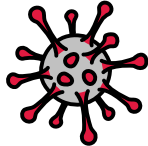

and

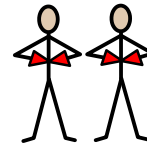

leave school

.

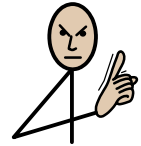

Covid19

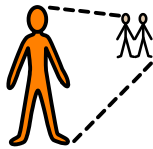

means

we

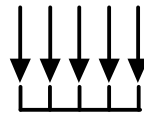

need

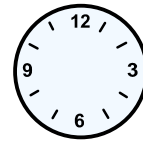

to socially distance

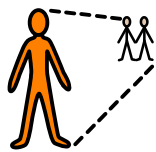

at

all

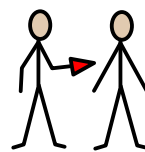

times.

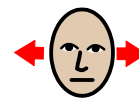

Social distancing

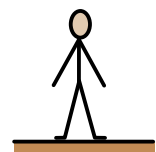

means

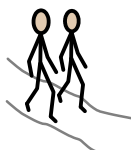

you

do not

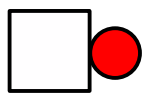

stand

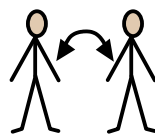

or

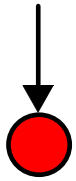

walk

next to

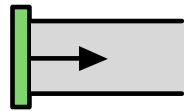

each other

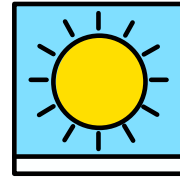

At

the

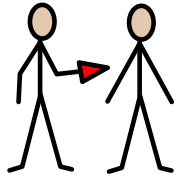

start

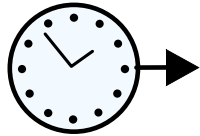

of the

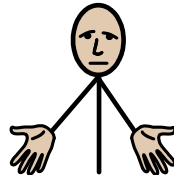

day

you

will

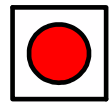

need

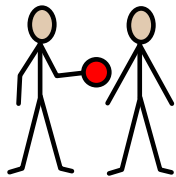

to

wait

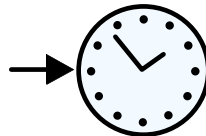

in

your

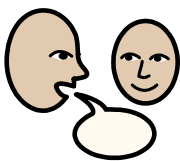

transport

until

staff

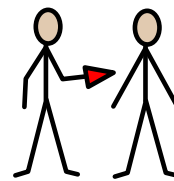

say

it is

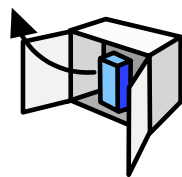

safe

for

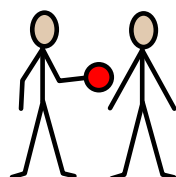

you

to

get out

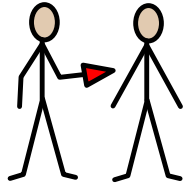

of

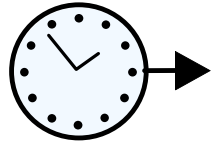

your

transport.

You

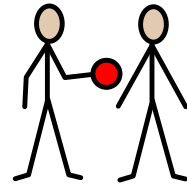

will

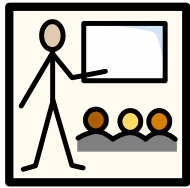

walk

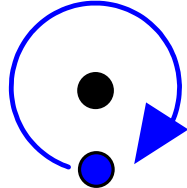

to

your

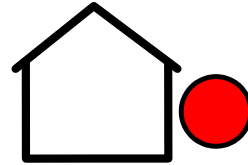

classroom

around

the

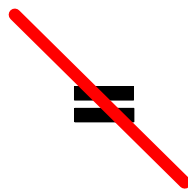

outside

of

the school,

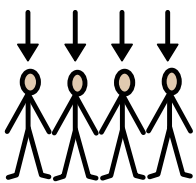

it is not

safe

for

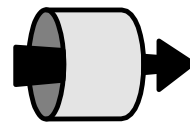

everyone

to

walk

through

school.

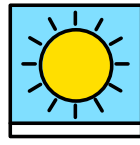

At

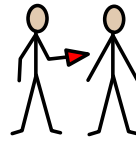

the end

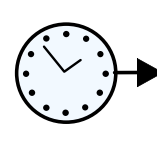

of the

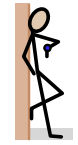

day

you

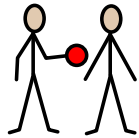

will

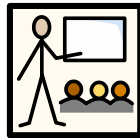

wait

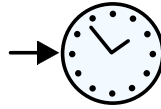

in

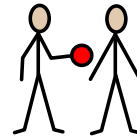

your

classroom

until

your

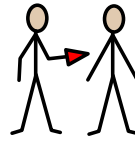

transport

is

ready

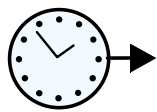

for

you

Staff

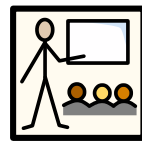

will

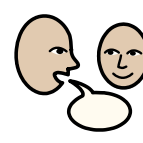

radio

the

classroom

to

tell

staff

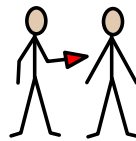

when

it is

safe

for

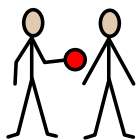

you

to

leave

your

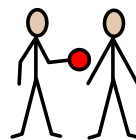

classroom

to

get on

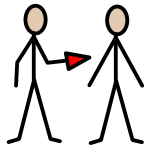

your

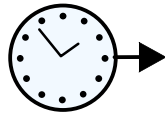

transport

.

You

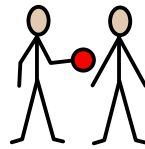

will

walk

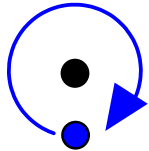

to

your

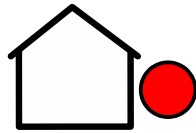

transport

around

the

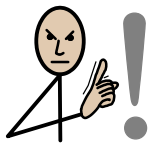

outside

of the

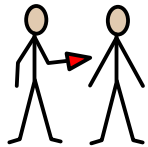

school

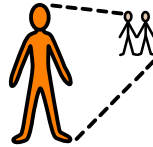

. It is

important

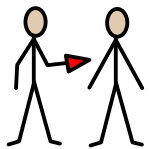

you

socially distance

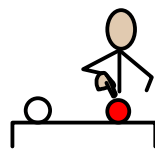

when

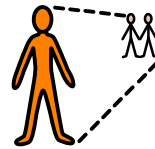

you

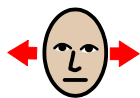

do

this.

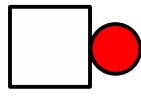

Socially distance means

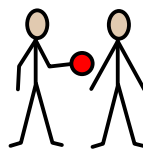

not

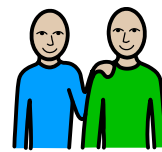

walking

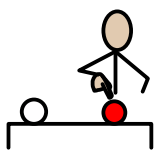

next to

your

friends ,

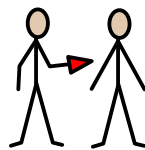

this

is to

keep

you

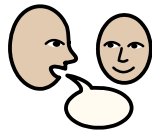

safe .

When

staff

say

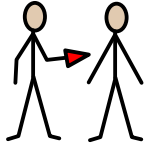

transport

is

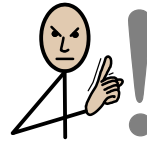

ready

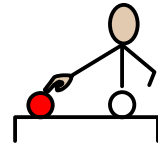

for you,

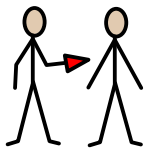

it is really

important

that

you

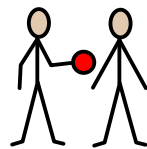

walk

straight

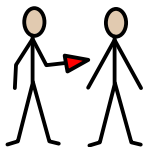

to

your

transport ,

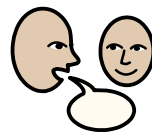

if you

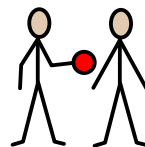

stop

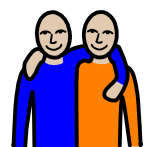

and

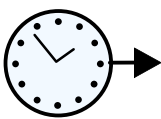

talk to

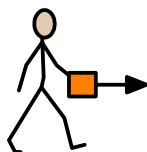

your

friends

it will

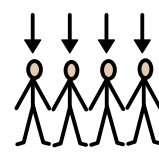

take

longer

for

everyone to

leave

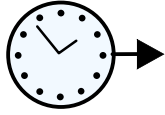

Southall.

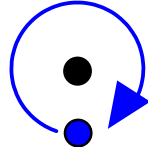

I

will

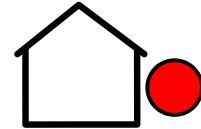

walk

around

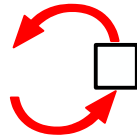

the

outside of

the school

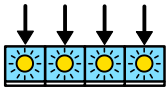

to and from

my

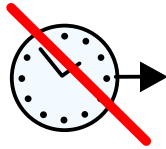

transport

everyday.

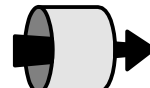

I

will not

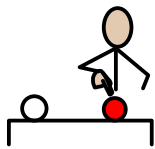

walk

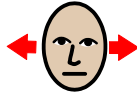

through

school

this

does not

keep

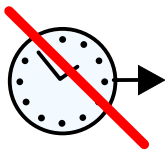

people

safe.

I

will not

stop

and

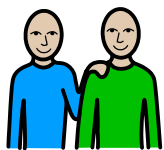

chat

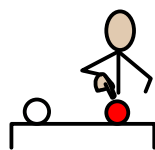

to

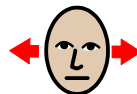

my

friends

this

does not

keep

people

safe.
