

Southall

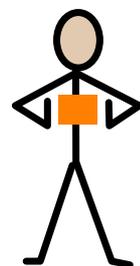

has

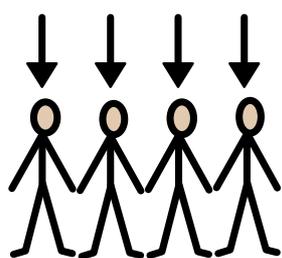

new

rules

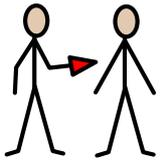

to keep

everyone

safe

You

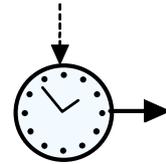

have been

at

home

since

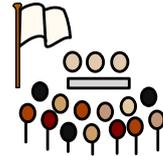

March

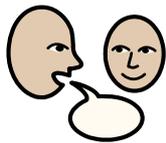

but

now

the

Government

says

it is

safe

to

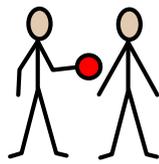

come to

school

if

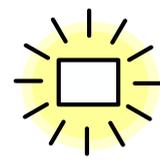

your

school

has

new

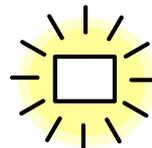

rules.

Southall

has

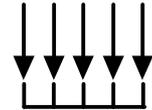

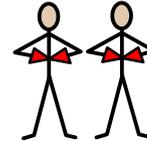

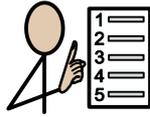

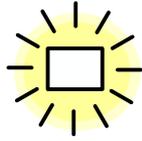

new

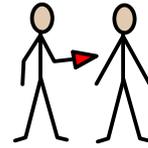

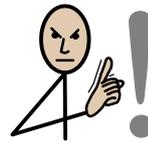

rules

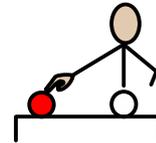

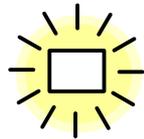

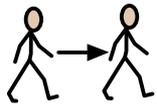

.

The new rules are so we all

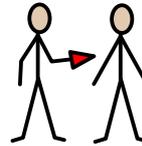

keep safe. It is really important you

follow the new rules so that

you keep yourself safe, staff

safe and the people you live

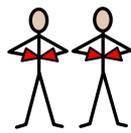

with safe.

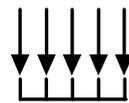

Keeping safe

means

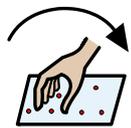

we

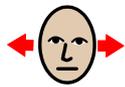

are

all

trying

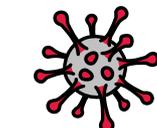

not

to

catch

Covid 19

.

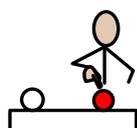

We

are

doing

this

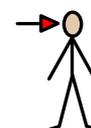

because

some

people

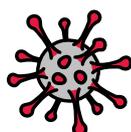

who

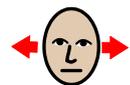

catch

the

Covid 19

do not

get

better

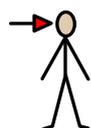

.

Some

people

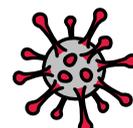

who

get

the

Covid 19

get

very

ill

and

some

die.

Keeping safe

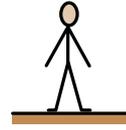

means

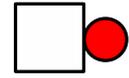

we

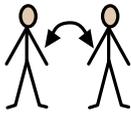

cannot

stand

next to

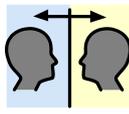

each other

,

sit

opposite

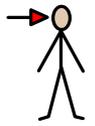

or

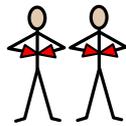

touch

people

who

we

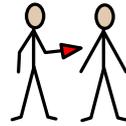

don't live

with.

.

You

could

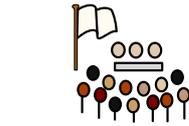

catch

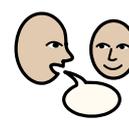

Covid19

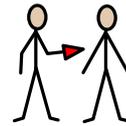

. The

Government

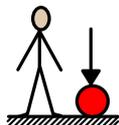

says

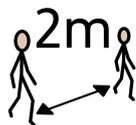

you

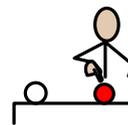

must

stay

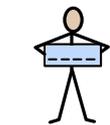

2 metres apart

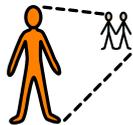

this

is

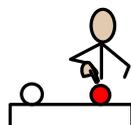

called

social distancing

.

This

is to

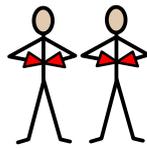

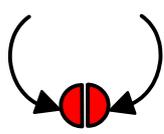

keep

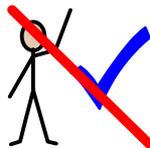

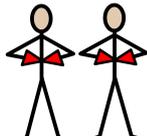

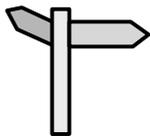

you

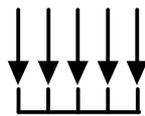

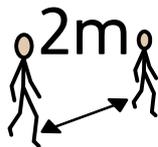

safe.

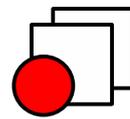

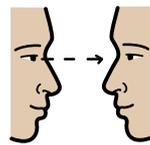

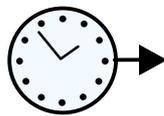

To make sure we are safe ,

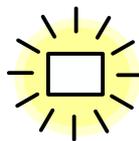

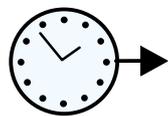

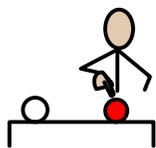

where we cannot keep

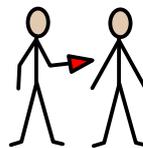

two metres apart all the chairs in

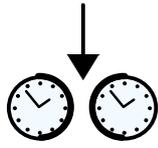

classrooms will face the front

This will be the new rule at

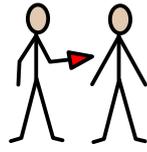

Southall , it is to keep you safe

As

soon

as

you

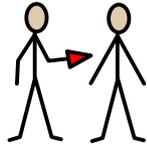

enter

the

classroom

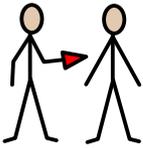

you

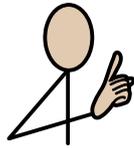

must

wash your hands.

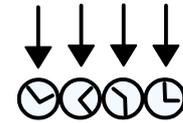

You

must

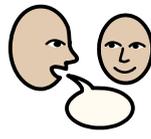

wash your hands

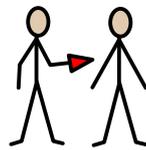

every time

staff

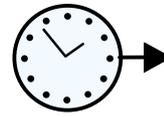

tell

you

to.

It

will

feel

=

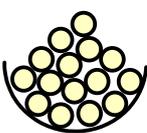

like

you

are

washing your hands a

lot.

It

is to

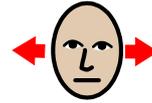

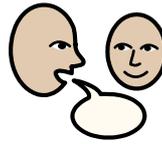

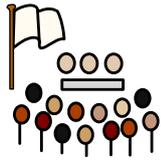

keep

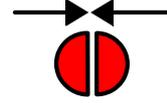

you

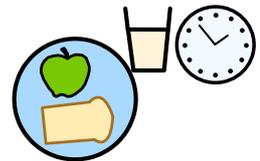

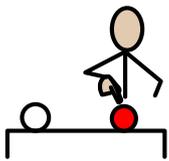

safe

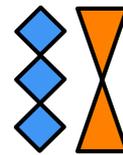

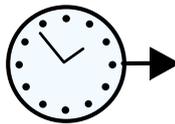

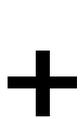

The government says its not

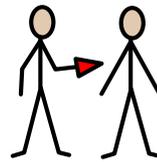

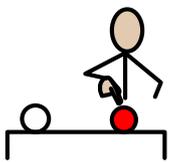

safe to do things together

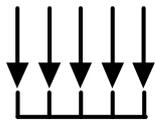

this means breaktimes, lunchtimes

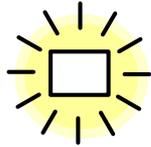

and lessons will be different

This is to keep you safe.

All

the

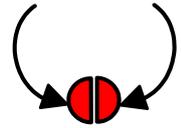

new

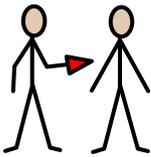

rules

may

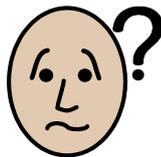

make

you

feel

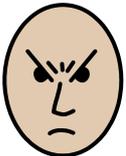

confused,

worried

or

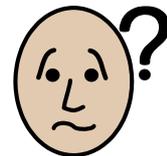

cross

. It is okay to

feel

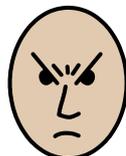

confused,

worried

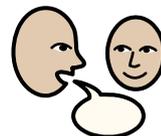

or

cross,

you can

tell

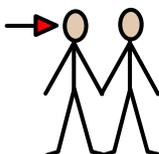

an

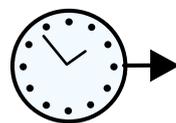

adult

+

and

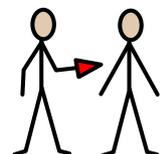

they

will

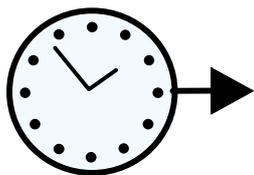

help

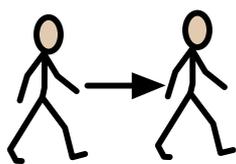

you.

I

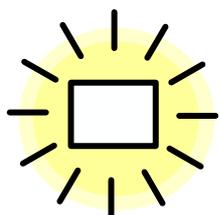

will

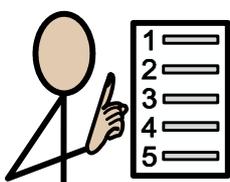

follow

the

new

rules

at

Southall

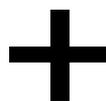

to

keep

me

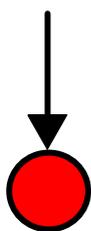

and

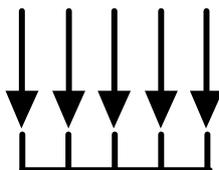

staff

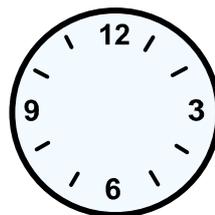

safe

at

all

times.
