The Government

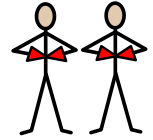

have

said

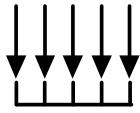

that

we

can

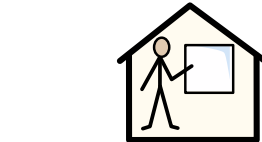

all

now

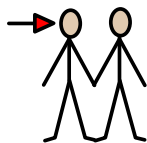

come back

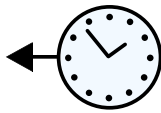

to school

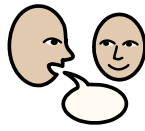

.

They

have

said

it is

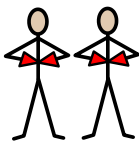

safe

as

long

as

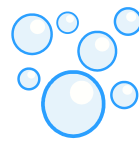

we

have

social

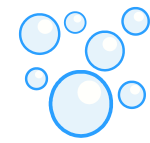

bubbles

.

A

Social

bubble

is a

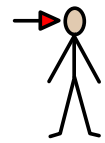

group

of

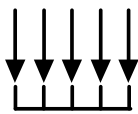

people

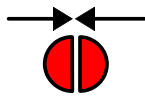

who

do

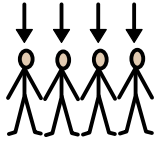

everything

together

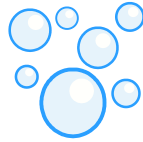

.

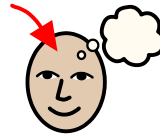

Everyone

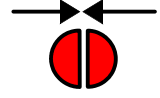

in

the bubble

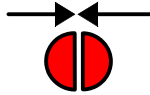

learns

together

, eats

together

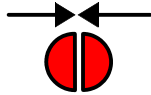

and

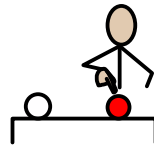

goes to the

playground

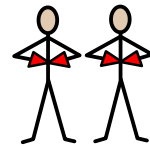

together.

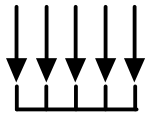

This

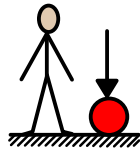

is so

we

all

stay

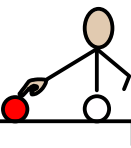

safe

.

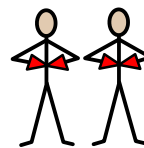

Keeping safe

means

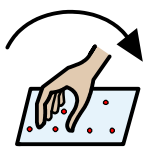

that

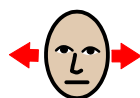

we

are

trying

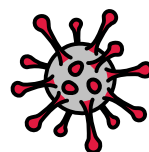

not

to

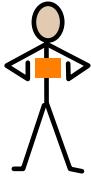

catch

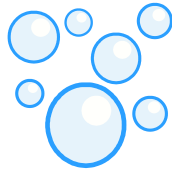

Covid19

.

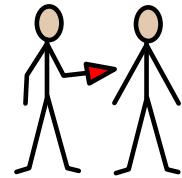

To keep

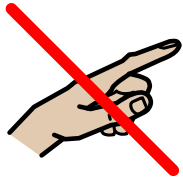

the bubble

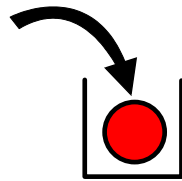

safe

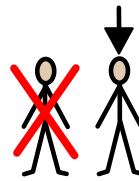

you

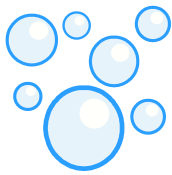

cannot go

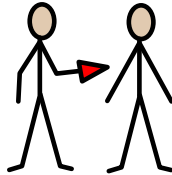

into

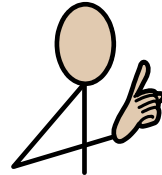

someone else's

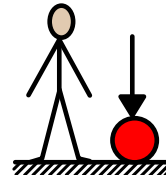

bubble

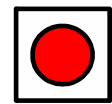

You

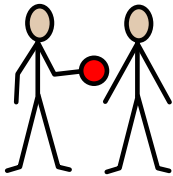

must

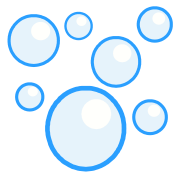

stay

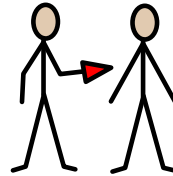

in

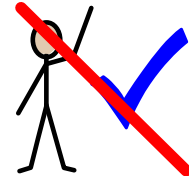

your own

bubble

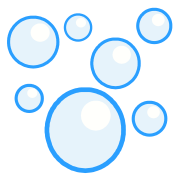

You

cannot

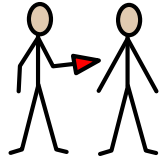

change

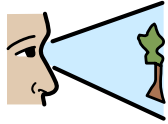

bubbles.

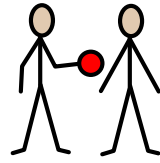

When

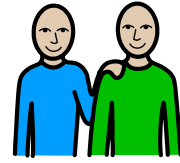

you

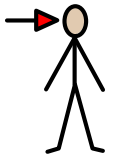

see

your

friends

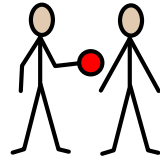

who

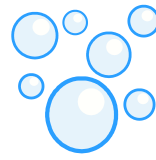

are not

in

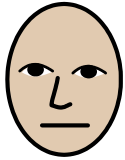

your

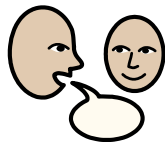

bubble

it is

ok

say

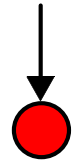

hello

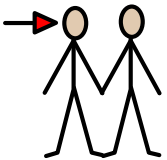

and

wave

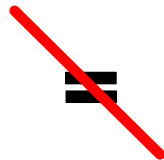

at

them

. It

is not

safe

to

hug

,

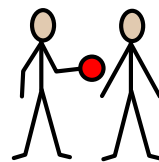

sake

hands

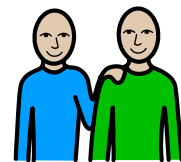

or

high five

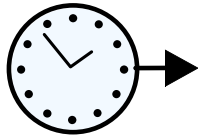

your

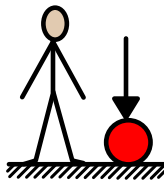

friends.

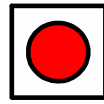

I

will

stay

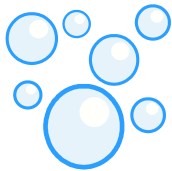

in

my

social

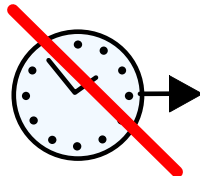

bubble

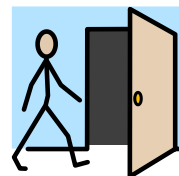

,

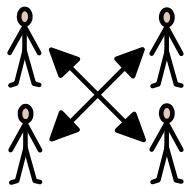

i

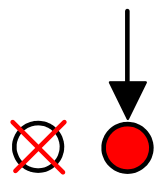

will not

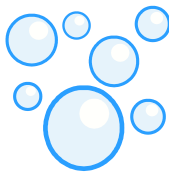

go into

anyone

else's

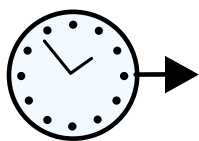

bubble

.

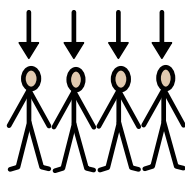

I

will

keep

everyone

safe

.
