

Write about your dream job—
what would you do if you
could do any job in the world?

Use the internet to find a job
you would like to do—print it
out and explain how you
would apply for the job.

Create an application form for a job—
remember to include questions about
qualifications, experience and why
they want the job.

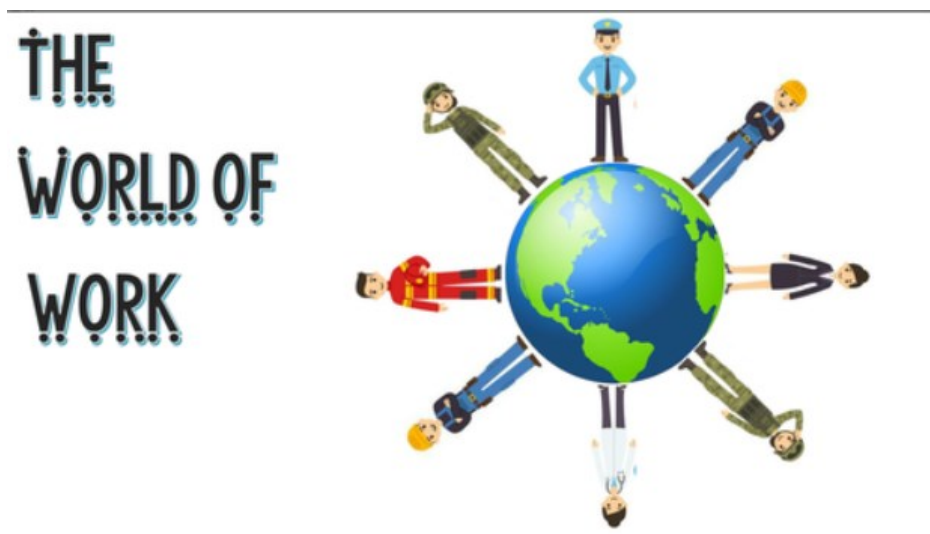

Design a new uniform for the police—
include details about colour and
equipment.

Use the internet to research Salary—
what job has the best salary and
what job has the least salary.

Use lego or cardboard to make your
own chocolate factory .

Design a brand new chocolate bar
that your chocolate factory could
sell, create a poster and advert for
your new yummy chocolate bar.

Interview a relative or friend who has a
job about their role. What job do they
do ? Where do they work? What are the
best and worse parts of their job?

Optional Homework Sheet.
